# Referee Incentive

During Winter Tournament Week, we are launching an initiative to encourage teams to bring qualified referees along.

As the event takes place during a working week, local referees may be in short supply. With this event being full contact rugby, it is important that all match officials are qualified referees, ensuring safety and quality.

We ask that all participating schools consider bringing a referee along to support the success of the Rapid 12s. Teams that bring their own qualified referee will have their entry fees waived. Please communicate this with Caro Rhodes no later than August 16<sup>th</sup>.
